Shield Crops with Agriplast Anti-Hail Net Raschel

Agriplast Anti-Hail Net Raschel, imported from Ginegar-Polysack, offers 5-year UV-stabilized protection against hail, birds, and wind with easy installation for high-quality crop yields.

Agriplast Anti-Hail Net Raschel, available at Agriplast North, is a premium polyethylene net from Ginegar-Polysack, Israel, designed to safeguard crops in frequent hailstorm areas. With a 5-year UV warranty, this 70 GSM transparent net provides 18-23% shade, high ventilation, and wind protection. Available in 8m, 9m, and 10m widths and 30m lengths, its unique construction allows plant stems to pass through without damage, ensuring easy installation and uninstallation. It prevents hail and bird damage for higher-quality yields. Visit www.agriplastup.com to protect your crops with this durable net today!
