

Agriplast Cooling Pad

Agriplast Cooling Pad: 1500x600x150mm, 7mm flutes, cools greenhouses via evaporation. Visit www.agriplastup.com for efficient temperature control!

Enhance Greenhouse Cooling with Agriplast Cooling Pad

Agriplast Cooling Pad, 1500x600x150mm in green/brown, uses a 7mm flute height for efficient evaporation, cooling greenhouses when paired with exhaust fans.

Agriplast Cooling Pad, available at Agriplast North, is designed to optimize greenhouse cooling through rapid evaporation. Measuring 1500mm high, 600mm wide, and 150mm thick with a 7mm flute height, this green/brown pad maximizes surface area for air drawn by exhaust fans. Its efficient design ensures effective temperature control, creating an ideal growing environment. Durable and easy to install, it's in stock for immediate delivery from Hosur or Ahmedabad. Visit www.agriplastup.com to pair this high-performance cooling pad with your exhaust system and maintain optimal greenhouse conditions for healthier crops today!

Available Height	1500 mm
Available Width	600 mm
Thickness	150 mm
Colour	Green/Brown
Flute height	7 mm
Recommended for	Greenhouse
Delivery Time	Immediate
Port Of Dispatch	Hosur/Ahmedabad

3x faster

cooling with large evaporative surface

2x better

airflow with 7mm flute design

4x improved

crop health with temperature control
