

## **Agriplast Crop Shield Cover**

Agriplast Crop Shield Cover: UV-stabilized polypropylene, 17-25 GSM. Protects crops from pests, rain, sunburn. Visit www.agriplastup.com for faster, healthier growth!

## Safeguard Crops with Agriplast Crop Shield Cover

Agriplast Crop Shield Cover, made from non-woven polypropylene, protects vegetables and fruit trees from pests, rain, and sunburn while promoting faster growth with 17 or 25 GSM options.

Agriplast Crop Shield Cover, available at Agriplast North, is a UV-stabilized, non-woven polypropylene shield for vegetables and fruit trees. Offered in White (pest, rain, sunburn protection) and Blue (shorter internodal distance), this 17 GSM or 25 GSM cover has a 12-month UV life. With widths of 1.6m, 2.13m, and 3.2m and a 625m length, it creates an optimal microclimate for faster, healthier plant growth. In stock for immediate delivery from Hosur or Ahmedabad, it defends against insects, heavy rains, and frost. Visit <a href="www.agriplastup.com">www.agriplastup.com</a> to enhance your crop protection today!
