Protect Rose Buds with Agriplast Rose Bud Cap

Agriplast Rose Bud Cap, a 10cm transparent bud net, safeguards Dutch rose buds for healthier blooms in greenhouses or fields.

Agriplast Rose Bud Cap, available at Agriplast North, is a 10cm transparent bud net designed to protect Dutch rose buds. This lightweight, durable cap shields delicate buds from damage, ensuring optimal growth and bloom quality. Ideal for greenhouse and field use, its transparent design allows light penetration while offering reliable protection. In stock for immediate delivery from Hosur or Ahmedabad, it's a must-have for rose growers aiming for superior yields. Visit www.agriplastup.com to enhance your rose cultivation with this effective, easy-to-use bud cap today!
