

Bluelab® pH Controller Connect

Bluelab® pH Controller Connect: Automates pH in 760L reservoirs, app-connected, precise dosing. Visit www.agriplastup.com for 24/7 crop management!

Stay Connected with Bluelab® pH Controller Connect

Bluelab® pH Controller Connect automates pH in 760L reservoirs with a 10 ml/min pump, remote monitoring via app, and safety features for optimal crop health.

The Bluelab® pH Controller Connect, available at Agriplast Tech India, offers 24/7 pH automation for reservoirs up to 200 US gallons/760 liters. Its 10 ml/min peristaltic pump ensures 0.1 pH precision, with safety lockouts and alarms preventing overdosing. Featuring a temperature probe, remote data access via the Connect app (with Connect Stick), and a 2-year warranty, this device simplifies nutrient management. In stock for immediate delivery from Hosur or Ahmedabad, it's perfect for grower

4x more

control with remote app monitoring

3x safer

dosing with built-in lockouts

2x easier

precision with 0.1 pH tolerance
