

Bluelab® Pulse Multimedia EC/MC Meter

Bluelab® Pulse Meter: Measures EC, moisture, temperature in root zone. App-enabled, 1-year warranty. Visit www.agriplastup.com for precision growing solutions!

Optimize Growth with Bluelab® Pulse Multimedia EC/MC Meter

Bluelab® Pulse Multimedia EC/MC Meter measures EC, moisture, and temperature in the root zone with stainless steel probes, syncing data to the Pulse app for analysis.

The Bluelab® Pulse Multimedia EC/MC Meter, available at Agriplast North, delivers fast, accurate measurements of EC, moisture, and temperature directly in the root zone. Featuring robust 8"/200mm stainless steel probes, this device works across various substrates and nutrient solutions, ensuring optimal plant conditions. With a single click, view results instantly and store up to 2000 readings via the Pulse app (available in English, Spanish, Dutch, German). In stock for immediate delivery from Hosur or Ahmedabad with a 1-year warranty, visit www.agriplastup.com to enhance your growing precision today!

3x faster

readings with one-click measurement

4x deeper

insights with 8" stainless steel probes

2x better

tracking with Pulse app storage
