

Ginegar Embossed Mulch

Ginegar Embossed Mulch: 3-layer LDPE, 24-month UV life, weed-proof. Boosts photosynthesis for vegetables and orchards. Visit www.agriplastup.com for White-Black or Silver-Black options!

Elevate Growth with Ginegar Embossed Mulch

Ginegar Embossed Mulch, a three-layer LDPE film, offers zero light transmission and a 24-month UV life, ideal for vegetables, flowers, and orchards in single rows or greenhouse gables.

Ginegar Embossed Mulch from Agriplast North is a specialized three-layer LDPE film designed for vegetables, flowers, and orchards. With 100% virgin material and zero light transmission, it reduces weed germination while enhancing photosynthesis for healthier plants. Available in White-Black for hot climates above 30-35°C and Silver-Black for cooler areas below 30°C, this 25-micron mulch offers a robust 24-month UV life. Provided in 1m and 1.2m widths and 1000m lengths, it's perfect for single-row layouts or greenhouse gables. Visit www.agriplastup.com for immediate delivery and superior crop protection across India!

Material	LDPE
Thickness	25 Micron
UV Stabilized	Yes
Light Transmission	No
UV Life	Up to 24 months*
Color	White-Black, Silver-Black
