Protect Crops with Agriplast Insect Net Solutions

Agriplast Insect Net, made from HDPE monofilament yarn, offers 5-year UV-stabilized pest protection in 105-135 GSM, ideal for greenhouses, net houses, and tunnels.

Agriplast Insect Net, available at Agriplast North, is a durable HDPE monofilament solution for safeguarding crops from pests. With weights of 105 GSM (BIS-approved, 3-year warranty), 120 GSM, and 135 GSM (5-year warranty), it features 40 and 50 mesh sizes in milky white or transparent. Offering pest exclusion, disease control, and climate protection, this UV-stabilized net reduces chemical use while enhancing pollination. Available in widths from 2.5m to 5.2m and lengths of 50m or 100m, it's in stock for immediate delivery from Hosur or Ahmedabad. Visit www.agriplastup.com for sustainable pest control today!
