

Reinforced Plastic Stick

Agriplast Reinforced Plastic Stick: 5mm, 6/8 ft, 2x stronger than steel, rust-proof. Supports crop covers, tunnels. Visit www.agriplastup.com for lightweight, durable solutions!

Support Crops with Reinforced Plastic Stick

Agriplast Reinforced Plastic Stick, 5mm diameter and 6/8 feet long, is rust-proof, smooth, and 2x stronger than steel wire, ideal for crop covers and tunnels.

Agriplast Reinforced Plastic Stick, available at Agriplast North, is a robust, white support solution for crop covers and tunnels. With a 5mm diameter ($\pm 5\%$) and 6/8-foot lengths, it's 2x stronger than steel wire yet 75% lighter. Rust-proof and flexible with a smooth surface, it prevents tearing of low tunnel crop covers, unlike steel alternatives. Designed for long-lasting performance, this stick ensures reliable crop support without damage. In stock for immediate delivery from Hosur or Ahmedabad, visit www.agriplastup.com to enhance your farming setup with this durable, lightweight solution today!
